7	KNOV-13430	Office documents in Knowledge Object attachments are no longer opening in browser

# Deployment Procedure

## Pre-deployment Tasks

It's advisable taking a backup of the "software" folder before setup.

## Deployment Procedure

This version provides an incremental installer that can be applied to any previous Knova v8.2.4.X versions.

It is recommended to install version Knova v8.2.4.1592 before installing this update.
